

# CAMPUS TOUR     20 minute course

## ① YNU facilities course

**YNU Monument (Red Stone) → International Student Center →  
University Hall (1<sup>st</sup> floor of Seikyo) → Gymnasium**

Having many foreign students from all over the world, YNU provides good opportunity for students to interact each other, especially among Japanese students and foreign students. In ISC you can find useful information related to studying abroad.

Not only does the YNU offer good environment to study but also has several extra-curricular activities in order to fully develop their abilities.

## ② Campus view course

**YNU Monument (Red Stone) → Roof top Business Administration Research Building**

YNU is covered by green so it's quiet and calm. You can see the famous Landmark Tower of Yokohama City and Skytree- new symbol of Tokyo, or also Mt. Fuji.

## ③ Library course

**YNU Monument (Red Stone) → Central Park → Central Library**

Central Park is often used for outdoor activities like picnic and music performance. The YNU students come here for lunch or after school to relax.

Opposite to Central Park is Central Library. It's a huge library with a lot of books, documents, and latest computer.
