

# “BOSAI” Seminar

## for YNU International Student

### Let's learn to prevent disasters!

We are pleased to announce the “Bosai” Seminar in cooperation with **NHK (Japan Broadcasting Corporation)** as follows.

As Japan's only public service broadcaster, NHK focuses on disaster prevention reporting and offers services such as disaster prevention apps.

Japan is one of the world's most disaster-prone countries because of its climate and topography. This seminar will be given in English. We look forward to your kind participation!
