

# Fireworks Cruising

More than 6,000 fireworks with elaborate designs will be set off with utilizing laser beams in the 35th Yokohama Port Festival 2016. We, ISL plans to hold a Cruising Party in the fireworks show. It is a nice opportunity to watch the Japanese traditional performing arts, while you enjoy the sounds and lights directly under the spectacular fireworks without lining up to admission. We are also sure that you can find a wonderful encounter in this event. We encourage you to bring some finger foods and fun snacks to the boat. You may invite some of your family and friends. The more the merrier and you will also get more discounted price. Let say cheers and enjoy this event!
