

Update: October,8,2020

YNU International Academic Exchange and Promotion Projects
(Attending International Conference • Overseas Research and Study)

Application Requirements

1. Objectives

This project is intended to activate research activities of both undergraduate and graduate students enrolled at YNU by providing incentives for their research presentation at international conference overseas, or research and study conducted in overseas (including the ones held on-line).

2. Qualification

Undergraduate students and graduate students enrolled at YNU (including international students).

However, projects that students would like to apply for the above incentive with have already been awarded with other similar incentives will be excluded.

3. Amount of incentive

Incentive is provided for students' research presentation at international conference, or research assembly held overseas (including the ones held on-line), as well as research and study overseas, overseas trainings to improve their specialized knowledge.

Amount of incentive varies by regions or the category of on-line participation as stated in the Appendix.

4. The expected number of recipients

Within the budget parameters.

5. Application procedures

Applicants who wish for incentives shall submit the following documents to the Director of International Strategy Organization through the Dean of the affiliated department such as Dean of College, Dean of Research department or Dean of Graduate School (hereinafter called the affiliated Dean).

(1) Required documents

i) Application form (Form 1-1, or 1-2, or 1-3) 1 sheet

ii) Explanation sheet (Form 2-1, or 2-2, or 2-3) 1 sheet

If you have documents that describe programs and outlines of international conference, research assembly, research and study, or training (including the ones held on-line), you shall attach the documents.

(2) Place to submit

Sections in charge at affiliated department, research department or Graduate School

6. Screening and notification of result

After the screening by the Specialist committee of International Strategy Organization, the Director of International Strategy Organization will select recipients in consideration of the affiliated Dean's suggestion.

The results will be notified through the affiliated Dean.

7. Change and Cancellation of project

If applicants need to change or cancel research presentation or research and study that they have submitted, they must immediately notify the Director of International Strategy Organization through the affiliated Dean. Afterwards, applicants shall seek for the affiliated Dean's instructions.

8. Submission of report, and briefing session

Recipients shall submit a report (Form 3-1, or 3-2, or 3-3) to the Director of International Strategy Organization through the affiliated Dean immediately after this project.

The report may be released on the booklets, or the YNU website.

9. Others

1) Application deadline for this requirement shall be stated separately each year.

2) Administration work for this requirement shall be processed at International Education Division of Student Affairs Department in cooperation with the sections in charge of the affiliated department, research department, Graduate School.
