

Job Information: Professor

Employer: Yokohama National University (YNU)

The Specialization in Advanced Materials Chemistry within the Department of Materials Science and Engineering, Yokohama National University (YNU) is now inviting applications for one faculty position as a professor in the field of Inorganic Chemistry. The following is an overview of the position, required qualifications and application procedure:

1. Job title: Professor
2. Job description: Research area of candidates should be in one or more of the following areas of chemistry: inorganic chemistry, coordination chemistry, solid state chemistry, and solid state physical chemistry.  
Successful candidate will be expected to participate in undergraduate and graduate educational programs for chemistry. Alongside educational and research activities, the professor is also expected to take a role in administrative duties.
3. Start date: April 1st, 2018 or the earliest possible date thereafter.
4. Term of employment: Full-time position (Retirement age: 65)
5. Candidates must have a doctoral degree. Candidates should have a working knowledge of Japanese in order to carry out education and research activities.
6. Completed applications must be received by August 10, 2017, and will then be considered for eligibility. Applicants may apply in English. Completed applications should include the following documents:
  - A) Curriculum vitae with photo
  - B) List of research achievements (lists of publications, invited talks, awards, research grants, etc.)
  - C) 5 copies of work from major publications
  - D) List of acquisition situation of various competitive research funds (distinguish representative from allotment)
  - E) Summary of research achievements and research plan at YNU (up to 2 pages including figures)
  - F) A short statement of your educational goals (up to 1 page)
  - G) Contact information and addresses of two references

7. A completed application consisting of documents A)-G) should be saved as a single PDF file and stored in CD or DVD. The printed documents and the CD or DVD should be enclosed in an envelope marked as “Application for a faculty position at YNU (chemistry)” in red and sent by registered mail to the mailing address below.
  
8. Contact  
Mailing address: Professor Kaoru Dokko, Specialization in Advanced Materials Chemistry, Department of Materials Science and Engineering, Graduate School of Engineering, Yokohama National University, 79-5 Tokiwadai, Hodogaya-ku, Yokohama 240-8501, Japan.  
E-mail address: dokko-kaoru-js@ynu.ac.jp
  
9. All documents provided will only be used for application purposes, and will be disposed of in a safe manner after the selection is completed, in order to maintain the privacy of personal information.
  
10. YNU encourages female and overseas applicants.
  
11. After a review of the documents, a few applicants will be invited to the interviews held at YNU in September 2017.
